FERRETTI 881 RPH

This stunning Ferretti 881 RPH combines the structural excellence of the model 881 with the addition of an upper deck welcoming the pilot house that dominates the sea.

When coming onboard, you'll be impressed by the spaciousness of the living area on the main deck as well as the natural light coming from the large windows. The lower deck welcomes the master en-suite cabin with a panoramic view of the sea, as well as one double & one twin cabins and a VIP cabin, all en-suite.

The yacht completed a full 2 million refit in July 2022, under the supervision of well-known French interior designer Diane Falavel, who used her skills, talent, and intuition to create a unique design and decoration. In close collaboration with the owner, she incorporated clever lighting throughout the yacht to give her a bright but cosy atmosphere that highlights the various textured finishes, marbles, and furniture from Cassina.

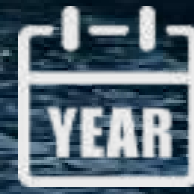

The exterior was not forgotten with a new paint on the hull, superstructure, and fly, and complete new exterior upholstery. This beautiful yacht offers plenty of opportunities to enjoy the sun: a spacious flybridge, which accommodates a new teak dining table, sun beds, new jacuzzi, while the cockpit area can sit up to 6 guests in total comfort.
