M / Y TOMMY

JONGERT LENGERS

Built according to the specific wishes of her owner, TOMMY is a truly innovative custom aluminium yacht built in Holland instantly recognizable for her modern lines. Moreover, TOMMY stands out with her lateral windows and the openable lounge roof offering brightness and a most pleasant atmosphere.

TOMMY is a stunning motor yacht, a one-of-a-kind Jongert Motor Yacht that ideally represents the best of what the Jongert shipyard has to offer in terms of quality, style, and performance

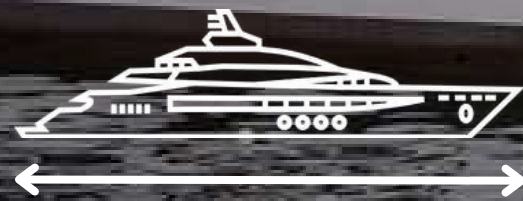

The main salon can be opened up with a sliding roof, side windows and rear doors to create one impressive space combined with the aft deck. The space presents a neutral décor and offers plenty of plush sofas and chairs for all guests. The main helm station is forward in the main salon.

There are two cabins on the lower deck
Her owner is keen to sale, available for private viewing upon request.
