ATRAVERSIA

NEW VISION F

Discover ATRAVERSIA, a cutting-edge solar-powered catamaran that combines modern elegance, silent cruising, and responsible luxury. Brand new, she is perfect for those who value both performance and sustainability without compromising on comfort or style.

With her sleek, sporty lines and expansive floor-to-ceiling windows, ATRAVERSIA stands out for her modern architecture and bold aesthetic. The distinctive flybridge, inspired by supercar design, offers ample space for lounging, dining, and taking in panoramic views.

Inside, the main deck is designed for seamless living, featuring a spacious saloon, a stylish dining area, a full galley, and a cozy lounge — all bathed in natural light. The lower deck hosts up to 9 guests in 4 luxurious en-suite cabins, thoughtfully designed for flexibility and comfort.

Whether for a family getaway or a friends' escape, each space offers privacy and refined finishes.

Powered by advanced solar technology and whisper-quiet systems, ATRAVERSIA delivers a smooth, peaceful cruising experience — all while minimizing environmental impact.

Step aboard and enjoy a new standard of chartering, where innovation meets elegance, and every horizon feels like home.

An aerial photograph of a sailboat on a dark blue ocean. A large, semi-transparent circular compass overlay is centered on the image. The compass has a dotted white border and orange letters for North (N), South (S), East (E), and West (W). The sailboat is positioned horizontally across the middle of the compass, with its bow pointing towards the left. The text 'YOUR CONTACT' is written in white, spaced-out capital letters across the upper half of the compass.
