BGX63 CROSSOVER

Delivered new in April 2025, this BGX63 embodies the exclusive crossover DNA of the BGX line, blending bold design with unmatched functionality.

With her innovative layout and seamless indoor-outdoor flow, she places the owner at the heart of the experience, redefining onboard comfort and connectivity to the sea.

Equipped with upgraded IPS1200 engines, Seakeeper stabilizer, bow thruster, hydraulic swim platform, and a full suite of high-end options including underwater lights, domotic Venetian blinds, full electronics with night vision cameras, AIS, additional cockpit control station, grill, wine cooler, and much more.

Featuring a 3-cabin layout, she offers extraordinary space and livability in her class. Easy to handle, even single-handedly, while delivering uncompromised seaworthiness and performance.

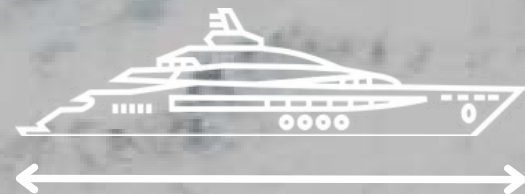

French leasing available for qualified buyers.

A must-see for discerning yachtsmen seeking something truly different.
