DAY 1 - 2 | CALVI

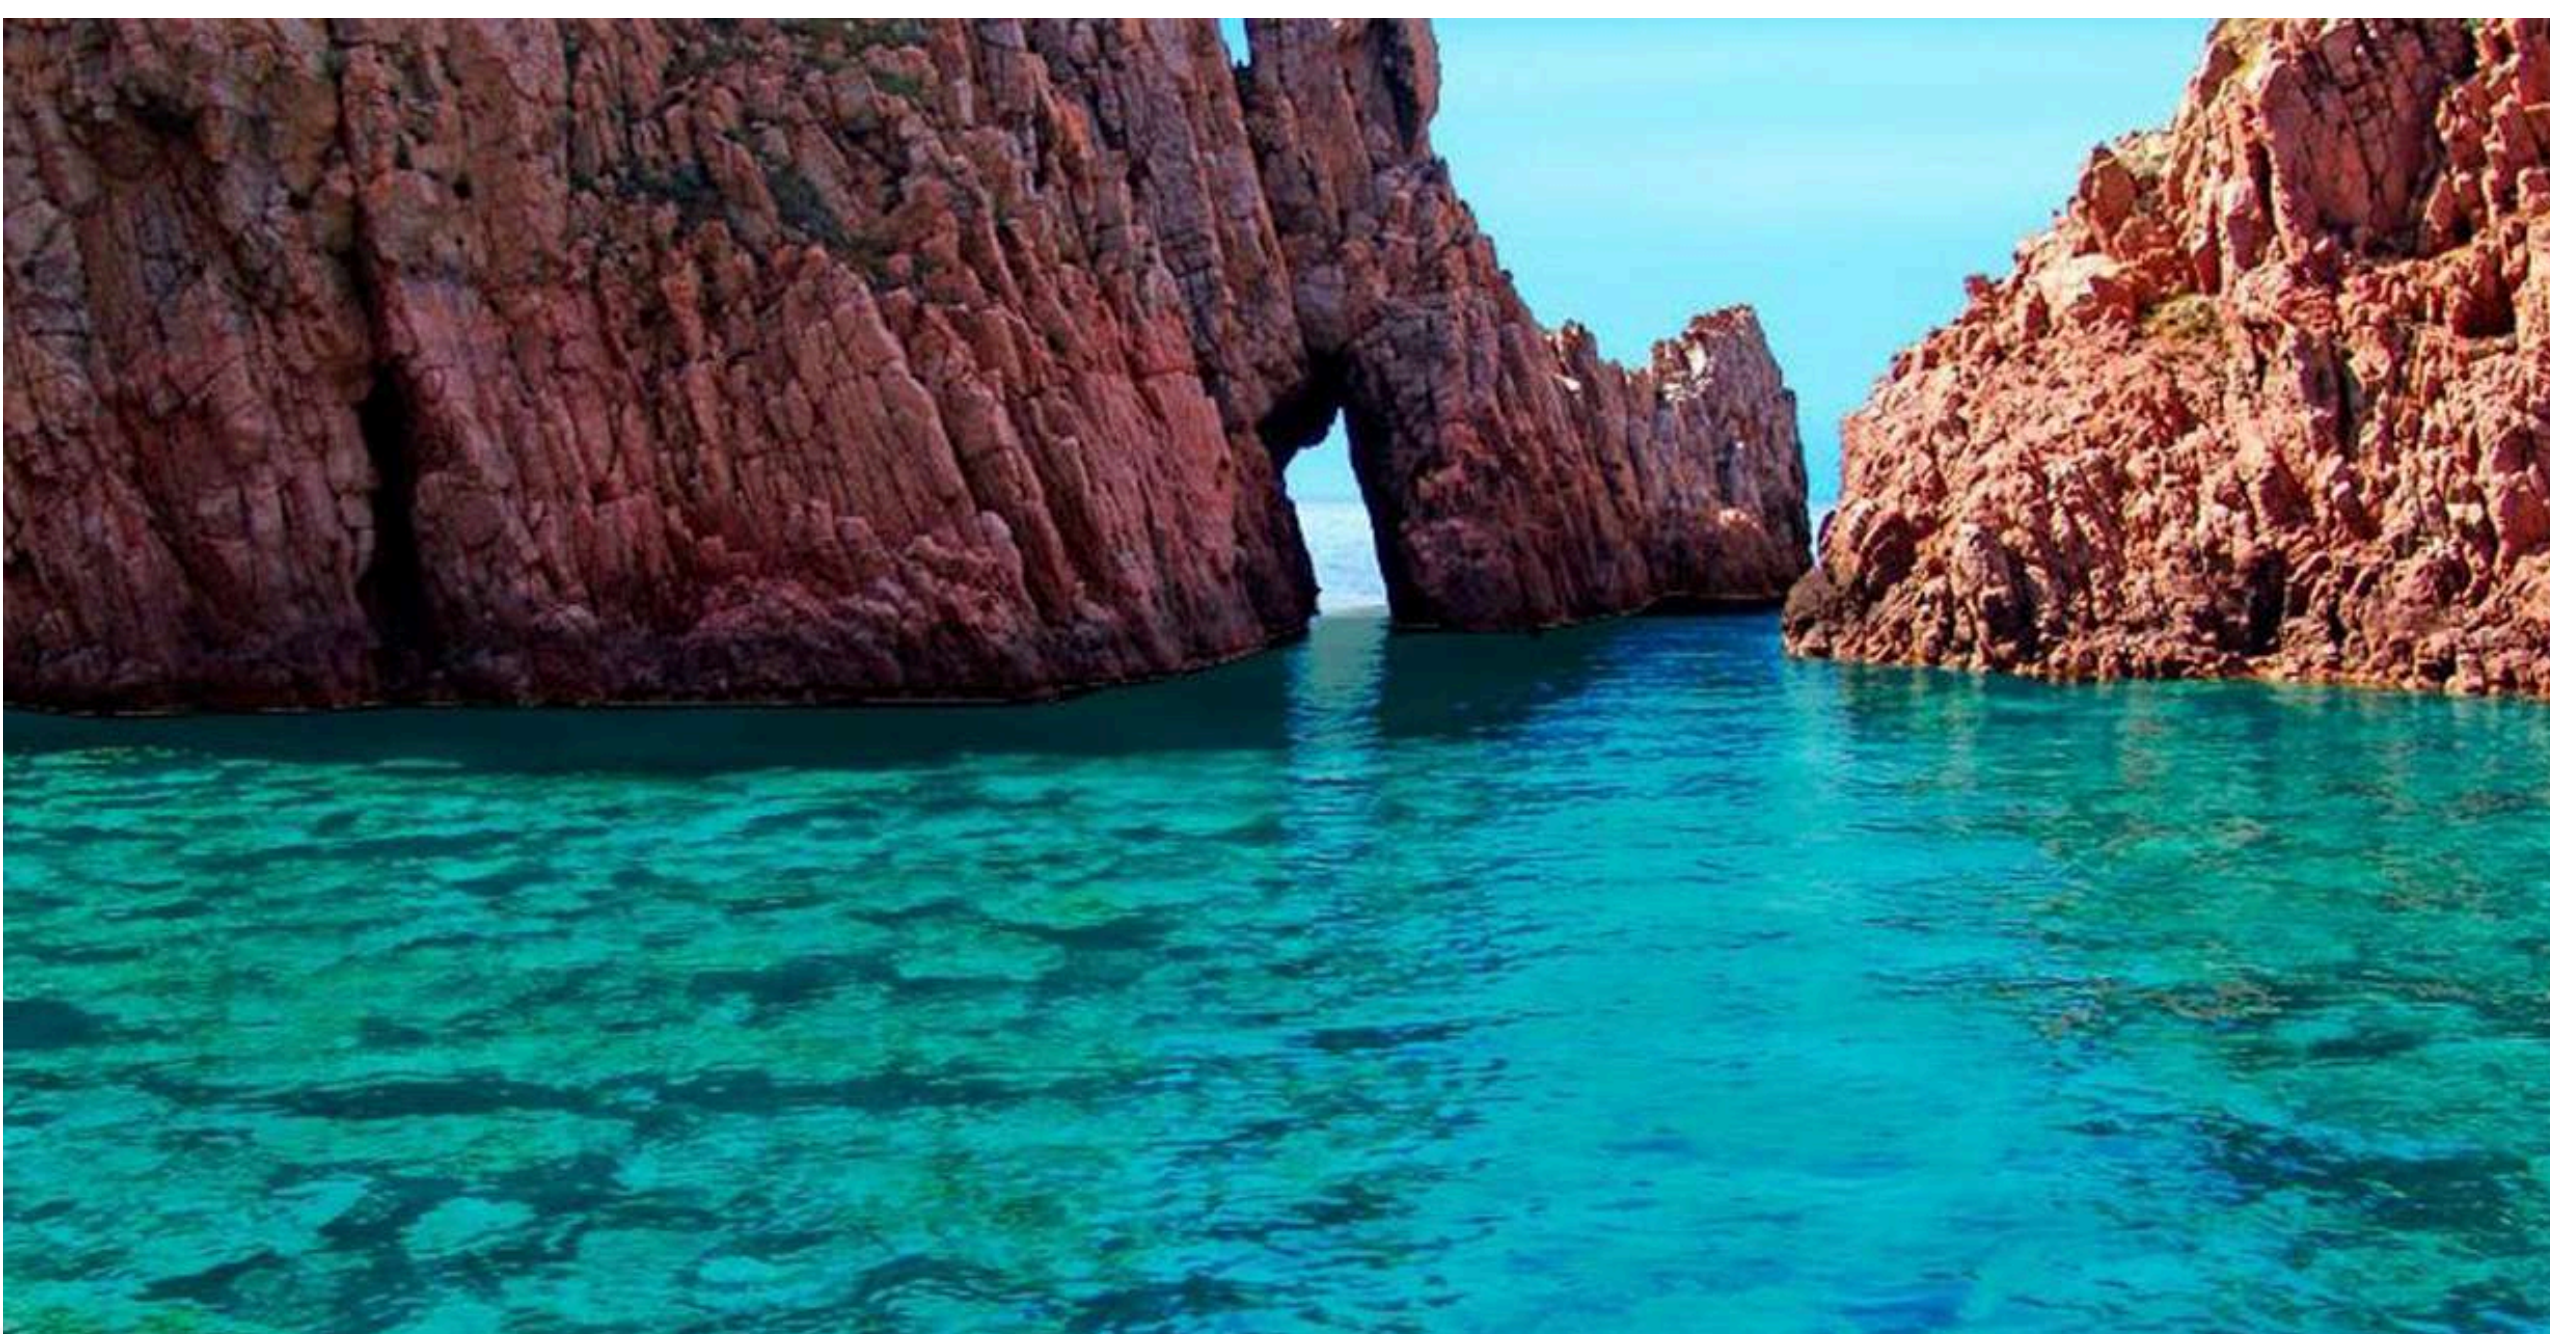

Located at the very northwest of the island, in a beautiful environment, the small town of Calvi occupies a very privileged location in Corsica. All the elements make this an unforgettable site: deep blue seas, fine sandy beaches lined with parasol pines, busy and vibrant streets, and the mountains that surround the town.

Take your time to explore the city and come back onboard to savor a delicious dinner.

Navigate on the clear blue water, relax on white sand beaches, and enjoy all the water toys available onboard.

GOLFE OF
GIROLATA

DAY 3

Golfe de Girolata is classified as one of the most beautiful bays in the world.

This is a paradise for yachts as it is almost exclusively accessible by sea. Arriving in the morning you will be impressed by the dramatic scenery of these red mountains plunging into the sea. Don't miss a chance to snorkel in the Scandola Natural Reserve and enjoy its magnificent marine flora and fauna.

Have a romantic dinner under the stars prepared by your Chef from fresh local products.

DAY 4

AJACCIO

Cruise to Ajaccio, labeled "city of art and history." Initially founded as a Genoese city, it boasts a vibrant historic center. A former seaside resort with prestigious and colorful buildings, it is an imperial city with imposing monuments. Explore Ajaccio's rich ancient legacy and come back onboard to relax and enjoy sunset& cocktails.

PROPRIANO

DAY 5

After breakfast cruise to Propriano and enjoy snorkeling in one of the most impressive sites of Corsica. If you fancy a more laid-back approach, Propriano is home to some of the island's most picturesque trails with large oak-tree-lined paths, olive trees, and vineyards.

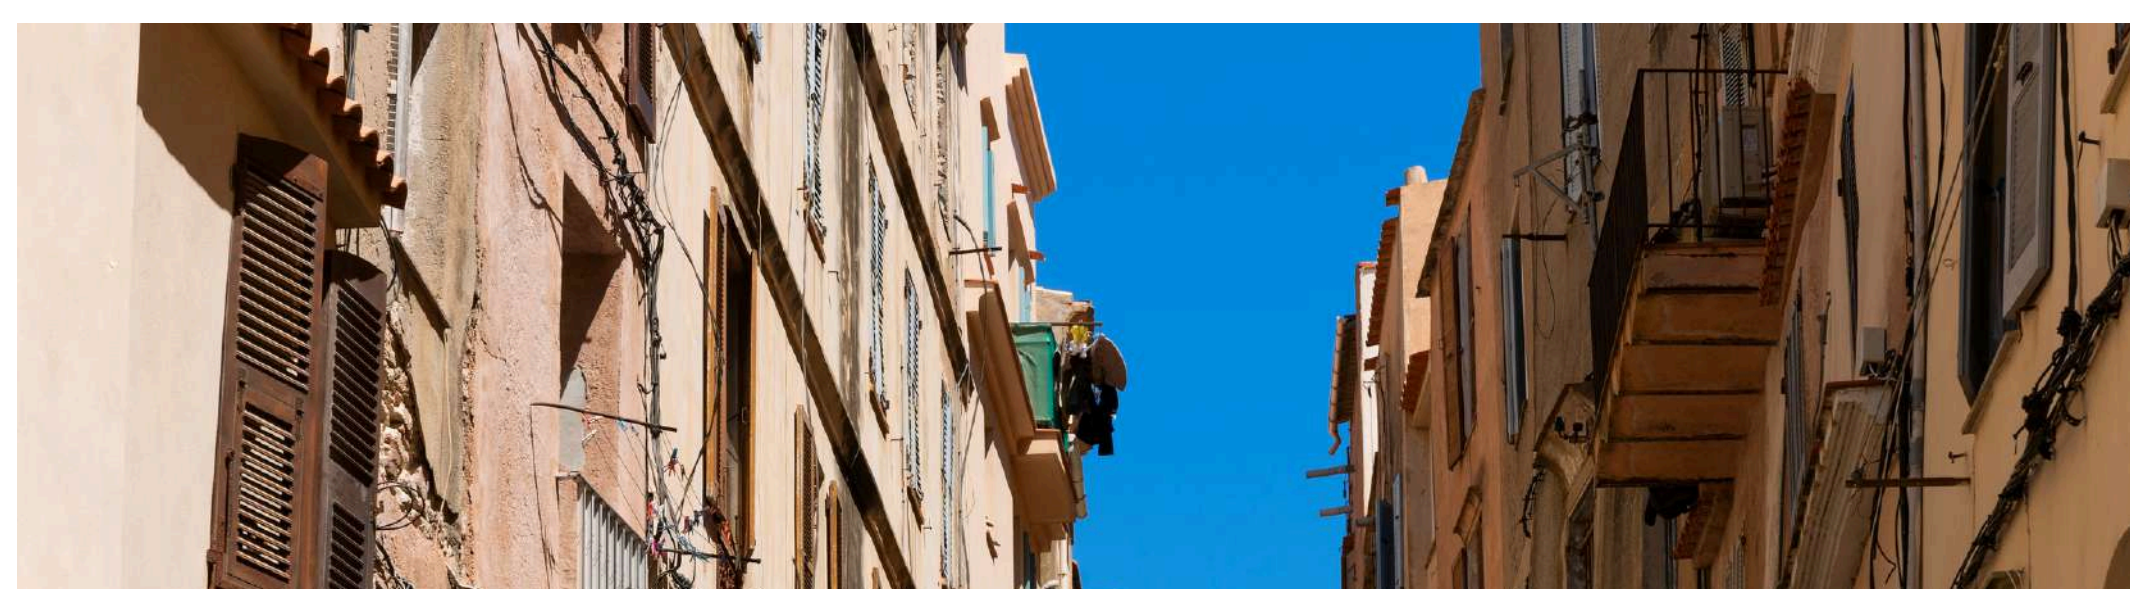

DAY 6 - 7 | BONIFACIO

Nestled in the southernmost expanse of Corsica, Bonifacio is a veritable jewel surrounded by turquoise waters.

A town of extraordinary beauty, Bonifacio is a true open-air museum with its distinctive character.

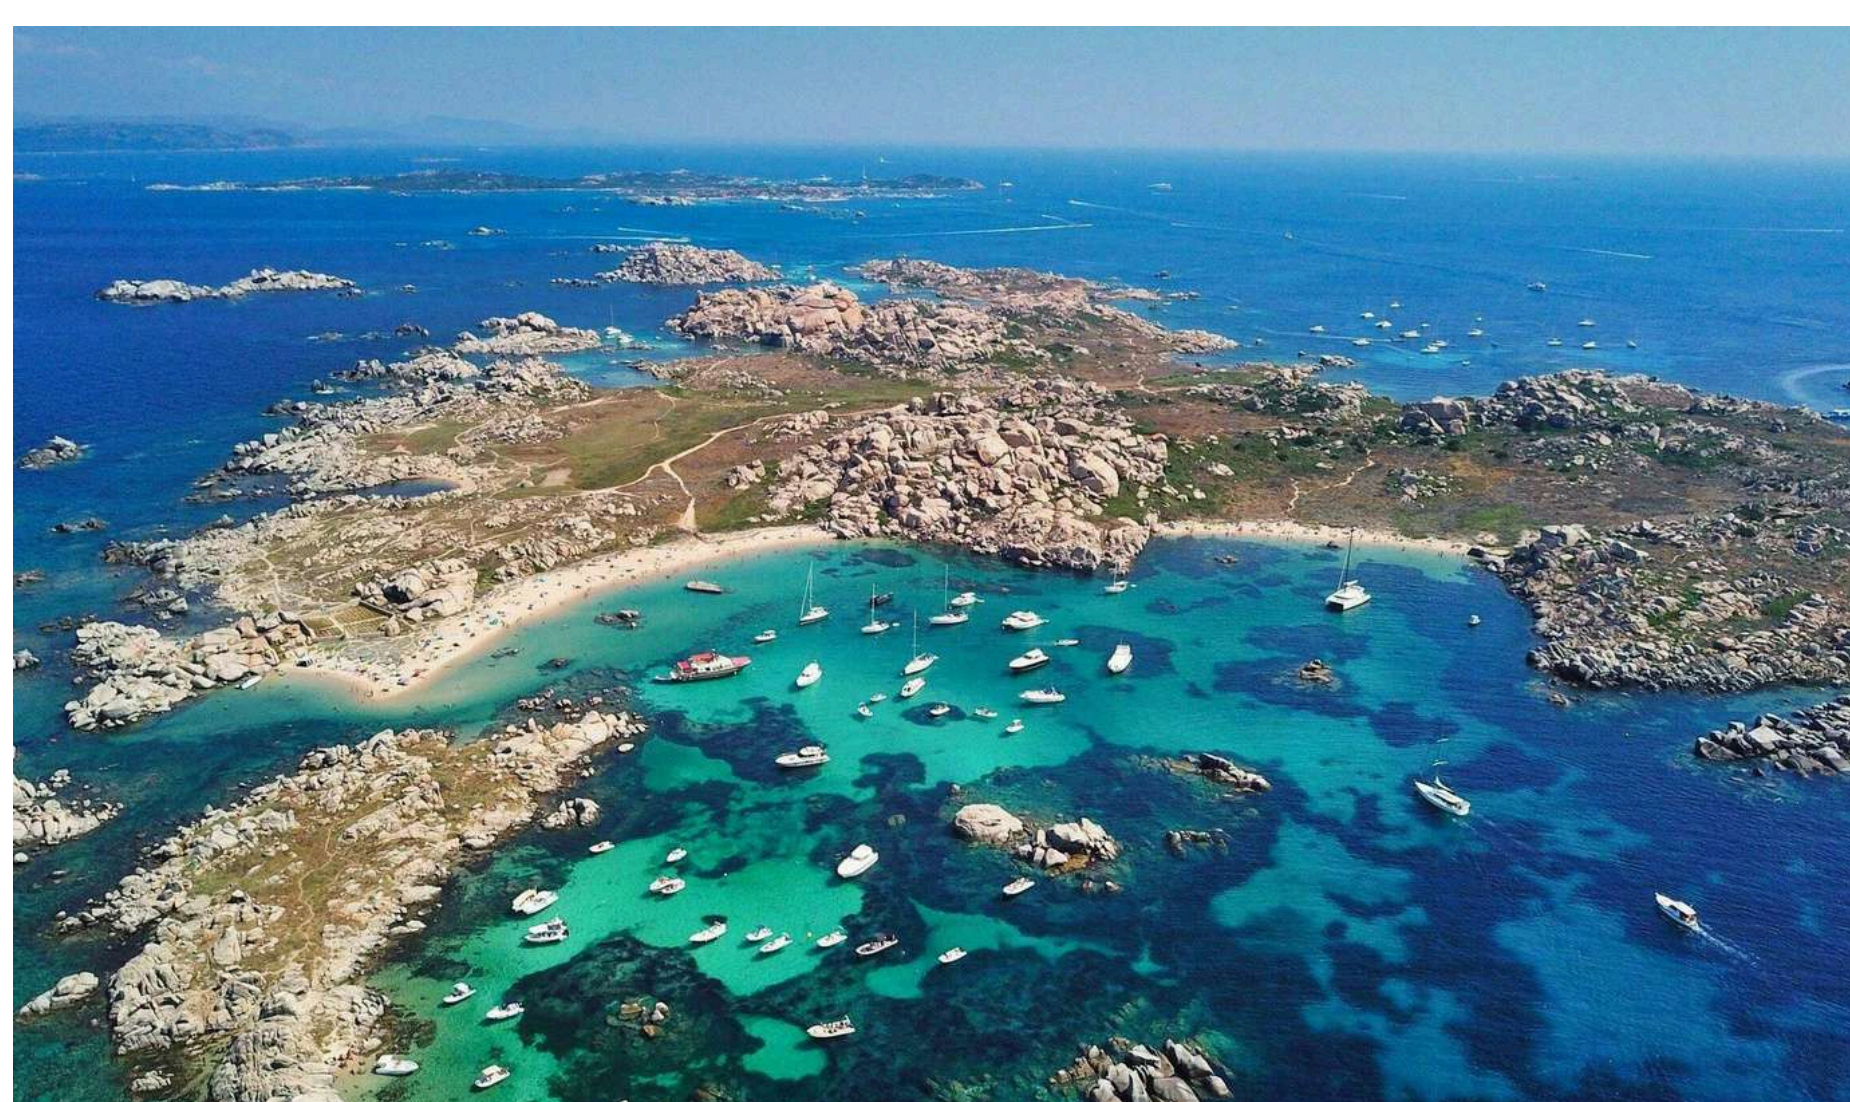

In all seasons, it offers a unique collection of historic monuments, more than 20 fine-sandy beaches, and an exceptional collection of rare countryside both on land and at sea.

You can take a hike on a trail carved into the cliff for outstanding views out to the sea or prefer to stay cool and visit the historical monuments located in town.

LAVEZZI
ISLANDS

DAY 8

These Islands are a natural reserve. Being one of the two Corsican marine reserves, Lavezzi islands are bathed in a turquoise and emerald sea, whose color varies according to the light.

Once in the water, the transparency is really surprising, probably the clearest water in Corsica. The beaches are numerous and truly magnificent. This is the ideal place to spend a lazy day enjoying the Mediterranean sun.
