FERRETTI 720

The 2022 Ferretti Yachts 720 is a superb example of Italian craftsmanship, combining elegant design, exceptional comfort and impressive performance. Delivered to her original owner in 2022 and professionally maintained since new, she presents in immaculate condition and is ready for immediate cruising.

Distinguished by over €100,000 of bespoke upgrades, "Never Give Up" offers a refined and contemporary interior enhanced by premium materials, custom finishes and a unique office conversion designed by the Ferretti shipyard. Expansive glazing fills the salon with natural light, while generous exterior spaces provide the perfect setting for entertaining, dining and relaxing at sea.

Powered by twin 1,400 HP MAN engines and equipped with an extensive specification including joystick controls, watermaker, twin generators and advanced Simrad navigation systems, this highly customized Ferretti 720 represents a rare opportunity to acquire a turnkey yacht that perfectly balances luxury, versatility and timeless Italian elegance.
