FANAMAX

MANGUSTA 110

The M/Y FANAMAX is an exceptional Overmarine Mangusta 110, built in 2019, offering a rare opportunity to acquire a truly distinctive yacht.

What makes FANAMAX particularly special is her bespoke interior, conceived by the internationally renowned Dutch interior designer Piet Boon. His unmistakable design philosophy brings a unique identity on board, combining clean architectural lines, sophisticated materials, refined finishes and a warm, contemporary atmosphere.

Designed to offer both comfort and elegance, FANAMAX accommodates guests in four beautifully appointed cabins, while her professional crew of five ensures a seamless and personalised onboard experience.
Meticulously maintained and presented in excellent condition, she reflects a high level of care and attention throughout.

From an administrative perspective, FANAMAX has been registered for commercial use under the Maltese flag since 2025 and is VAT paid, offering additional flexibility and reassurance to prospective buyers.

A particularly rare opportunity on today's market, FANAMAX stands out as a unique Mangusta 110 currently available for sale, combining the renowned performance and Italian pedigree of Overmarine with an exclusive interior design rarely found in this category.
More than simply a yacht, FANAMAX is a statement of individuality, sophistication and understated luxury.

A truly distinctive opportunity for those seeking something beyond the ordinary.
